HORSE SHOW TIPS

- For the in hand classes, make sure to have reins with clips that are easy to remove
- If your horse is not used to a bridle, we recommend that you practice at home a few times before the show
- Make sure your horse is clean and braided. If you cannot have your horse braided, make sure the mane is pulled and short
- Make sure your horse's feet are trimmed and clean. The trimming should be done a few days before the show to avoid soreness in the feet
- Practice the jump chute at home if possible. Do not over face your horse! The height is not important at first. You just need to build confidence.

DO NOT PRACTISE THE JUMP CHUTE IF YOU DO NOT HAVE THE PROPER EQUIPMENT AND PERSONNEL.
